

After School Activities Schedule Overview

Term 3, School Year 2017-2018

MONDAY

Yr Group	Activity	Category	Time	Venue	Name	Min to Max Numbers	Cost	No. of Sessions	Description
Monday									
Y 1 & 2	Brix for Kids	Reflective Creative	2.40 pm - 3.40 pm	Boracay Building	Coach	20 max	3,200php for this term (400php per session)	8	Bricks 4 Kidz provides an extraordinary atmosphere for students to build unique creations and have loads of fun using LEGO® Bricks. A hands-on class where students build motorized creations, such as helicopters, dinosaurs, space aircrafts, amusement park rides, and other fun objects out of LEGO® bricks. We offer STEM-principled educational play activities for children where they learn to build, and play with LEGO® Bricks. While students get exposed to engineering, architecture, and physics, they will develop problem solving, teamwork, and critical thinking skills. In our after-school class, the session will be 50 minutes, include a model build for the day, and a PowerPoint lesson explaining history, physics, and fun-facts related to that particular build. Each model belongs to a specific theme, such as Outer Space, Dinosaurs, Inventions, Spectacular Sports, Natural Disasters, and many more!
